"BOB CONNERY, SCOUTING for Huggins, saw Hornsby in 191 himself registered with him. 'He just looked like a ball player,' said wins and a flurry of home runs. Connery went back for another look, purchased the Class D The Phils, a surprising contender Return to Cubs player for \$500 and as the Cardinals were going nowhere in the Fall. Huggins brought Hornsby up for a September look." The rest St. Louis. In baseball history. In 23 seasons in the big leagues he hit an average season. He hit safely in 33 consecutive games from Bept, 19, 1922 and the record still stands in the National

PROM WASHINGTON COMES this information: "Substantial in allotments of shotgun shells to farmers and sportsme were being sought today [last week] by Rep. Bob Sikes of Crestview other Bouthern Congressmen whose constituents are faced wit the same critical shortages. Shotgun shell allocations for destruction of peats such as rodents, crows and other animal life destructive to grops, have forced many wholesalers and distributors to cease handling the shells altogether, as the supplies were even too small to set up any practicable from of rationing to retailers. Rep. Sikes said the carlier harvests in his district already were suffering because rodents and crows could not be controlled, and that this problem will be me successively by farmers further north.

is affecting seriously game and conservation work in almost all southern States. Rep. Sikes explained that the Florida Game Commusion and those of other Southern States are supported almost entirely from revenues derived from the sale of hunting and fishing licenses. The drop in the sale of hunting licenses, from which the salaries of game wardens are paid, seriously has threatened policing of wild life generally.

"DURING THE 1943 hunting season war production officials promised Rep. Joe Hendricks of DeLand that adequate supplies of shells would be made available for 1944. Rep. Sikes indicated that | fighting he would join with Rep. Hendricks in holding WPB to its pledge. Meanwhile, he said, the allotments for farmers deserved immediate at- Count Fleet Is
